Correction to: *Modern Pathology* <https://doi.org/10.1038/s41379-022-01145-0>, published online 17 September 2022

The original version of this article unfortunately contained an error in an author name. A pathologist within the consortium, Dr. Letizia Gnetti from Parma, Italy noticed that her name was missing one letter. In lieu of 'Gnett' it should be 'Gnetti'. The original article has been corrected.
