In the version of this Article originally published, in Fig. 2c, the '+' sign and 'OSKM' were superimposed in the label '+OSKM'. In Fig. 4e, in the labels, all instances of 'Ant' should have been 'Anti-'. And, in Fig. 7a, the label '0.0' was misplaced; it should have been on the colour scale bar. These figures have now been corrected in the online versions.

In the PDF version of this Resource originally published, on the author list the superscript number 9, to indicate Rui Wang was an equally contributing author, was missing owing to a technical error. This has now been amended. In addition, the authors wish to replace Supplementary Table 2, as in the original version Group 1 immune cells were mis-classified into Group 46 immune cells, resulting in three groups of immune cells where there should have been four. Supplementary Table 2 has now been replaced.
