Correction to: *Nature Geoscience* <https://doi.org/10.1038/s41561-018-0265-7>, published online 30 November 2018.

In the version of this Article originally published, in the section ‘Defining endorheic regions’ in Methods, the sentence starting “These watersheds were aggregated...” contained the phrase “(~100,000 thousand km<sup>2</sup>)”; this should have read (~100,000 km<sup>2</sup>) and has now been amended.
