Correction to: *Nature Immunology* <https://doi.org/10.1038/s41590-018-0129-8> (2018), published online 20 June 2018.

In the version of this article initially published, the bibliographic information for reference 2 was incorrect in the reference list, and reference 2 was cited incorrectly at the end of the second sentence in the second paragraph (“...were identified²”). The correct reference 2 is as follows: “Kong, A. et al. The nature of nurture: Effects of parental genotypes. *Science* **359**, 424–428 (2018).” The reference that should be cited at the end of the aforementioned sentence, which should be numbered ‘5’ (“...were identified⁵”), is as follows: “Okada, Y. et al. Genetics of rheumatoid arthritis contributes to biology and drug discovery. *Nature* **506**, 376–381 (2014).” All subsequent references (5–161) should be renumbered accordingly (6–162) in the list and text. Also, several of the gene symbols in Table 2 were formatted incorrectly (without commas); the correct gene symbols are as follows: column 3 row 13, *RBM17*, *IL2RA*; column 3 row 30, *DEXT*, *CLEC16A*; column 3 row 39, *UBASH3A*, *ICOSLG*; column 4 row 15, *PTEN*, *KLLN*; column 4 row 21, *CLEC7A*, *CLEC9A*; and column 5 rows 7–9, *AL391559.1*, *ENSG00000238747*, *RP11-63K6.7*, *RP3-512E2.2*. The errors have been corrected in the HTML and PDF version of the article.
