

## Publisher Correction: Get the IL-17F outta here!

Aisling O'Hara Hall , Jennifer E. Towne and Scott E. Plevy

Correction to: *Nature Immunology* <https://doi.org/10.1038/s41590-018-0141-z> (2018), published online 18 June 2018.

In the version of this article initially published, a word (“neutraling”) in sentence 2 of paragraph 5 was incorrect. The correct phrase is “...neutralizing properties...”. The error has been corrected in the HTML and PDF version of the article.

## Publisher Correction: Recent progress in broadly neutralizing antibodies to HIV

Devin Sok  and Dennis R. Burton 

Correction to: *Nature Immunology* <https://doi.org/10.1038/s41590-018-0235-7> (2018), published online 17 October 2018.

In the version of this article initially published, some of the references in Table 1 were incorrect. The correct references are as follows: in row 12, refs. 12,44 should be ref. 12; in row 16, refs. 2,17,27 should be ref. 109 (Walker, L. M. et al. Broad neutralization coverage of HIV by multiple highly potent antibodies. *Nature* **477**, 466–470 (2011)); in row 25, refs. 61,76 should be ref. 110 (Wu, X. et al. Rational design of envelope identifies broadly neutralizing human monoclonal antibodies to HIV-1. *Science* **329**, 856–861 (2010)); and in the bottom row, ref. 57 should be ref. 111 (Huang, J. et al. Broad and potent neutralization of HIV-1 by a gp41-specific human antibody. *Nature* **491**, 406–412 (2012)). Those new references (109–111) should be included in the reference list. The errors have been corrected in the HTML and PDF versions of the article.
