

## Publisher Correction: Mechanisms of systems memory consolidation during sleep

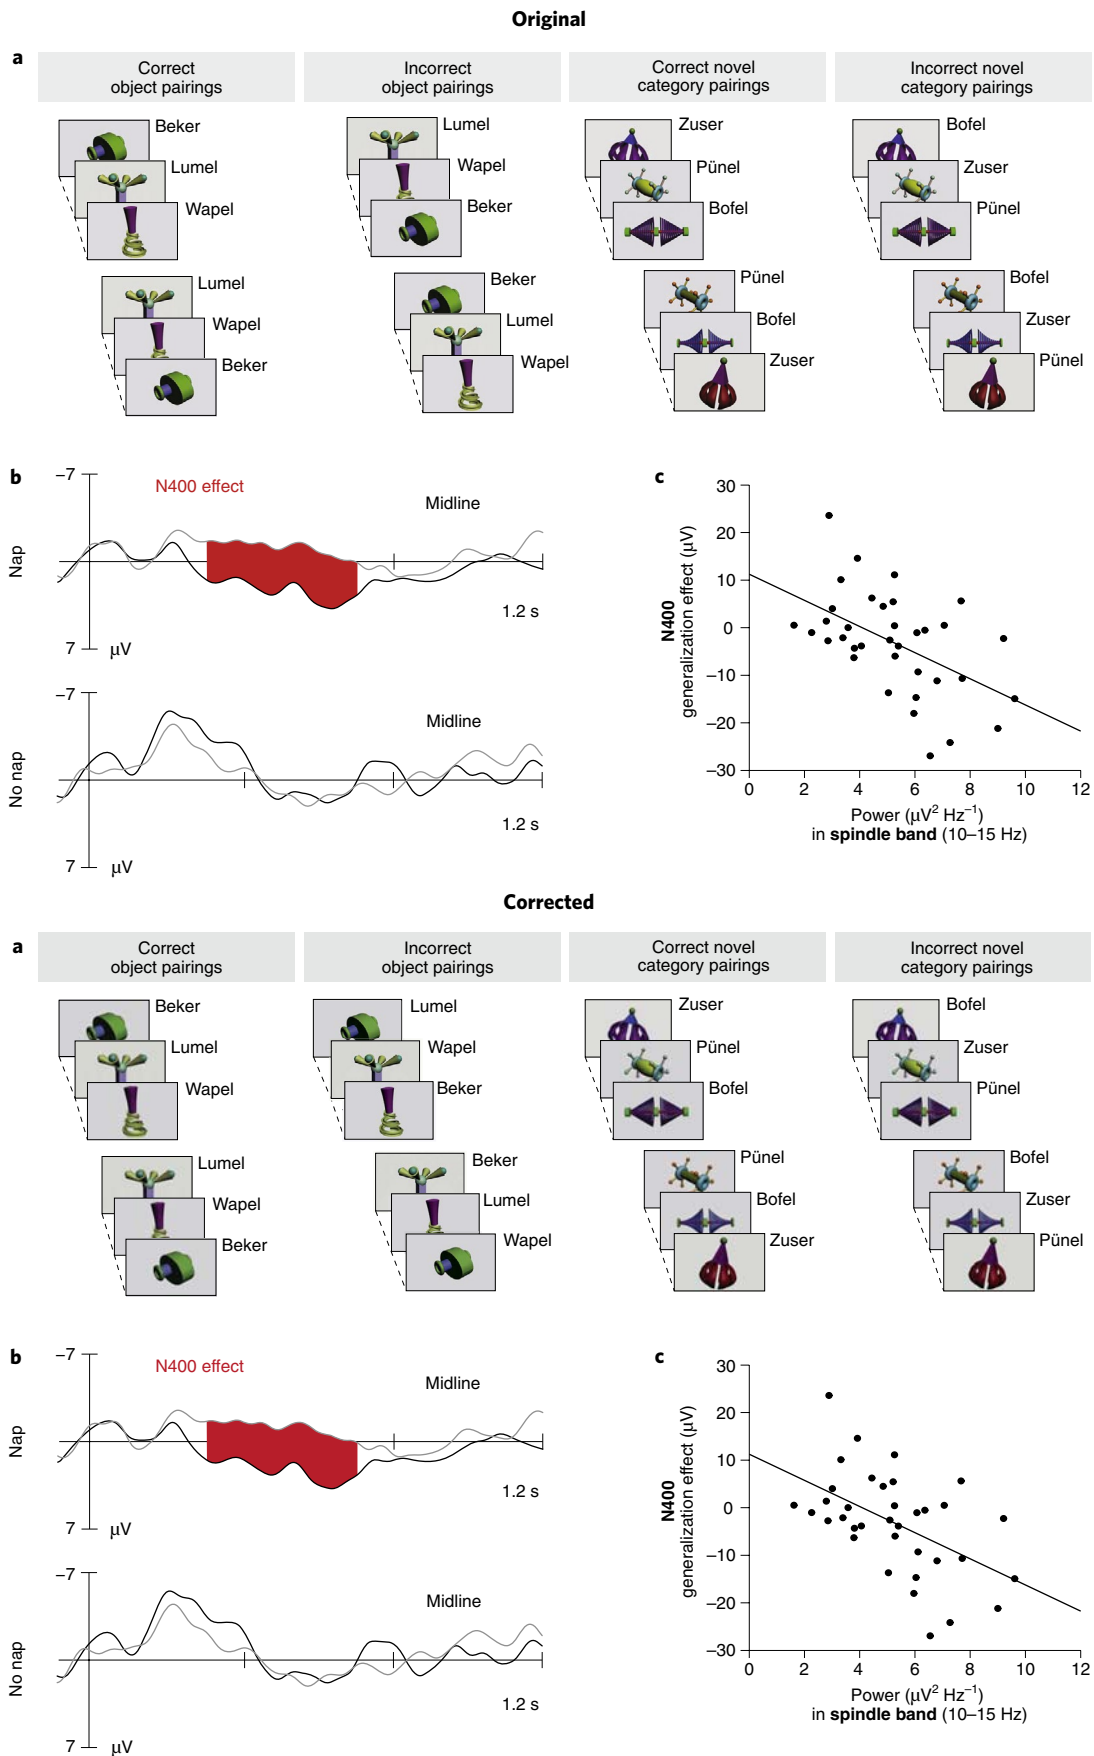

Jens G. Klinzing , Niels Niethard  and Jan Born 

Correction to: *Nature Neuroscience* <https://doi.org/10.1038/s41593-019-0467-3>, published online 26 August 2019.

In the version of this article initially published online, the images in the second column of Fig. 4a were in the wrong order. The error has been corrected in the print, PDF and HTML versions of this article.

Published online: 11 September 2019
